

City of Grand Rapids

Blue Bridge Active Lighting Request Application

Welcome to the Office of Special Events! The active lighting on the Blue Bridge is used to promote the City of Grand Rapids, its civic institutions, state and federal holidays, and other public events of community significance and take time to recognize a specific cause or to commemorate or enhance a specific event connected with Grand Rapids and consistent with this purpose. An application must be submitted 10 business days prior to the requested start date. For more information, please visit www.grandrapidsmi.gov/specialevents.

Blue Bridge Lighting Guidelines

- Lighting displays will always begin the evening of the requested day and end the following morning
- Lighting the bridge can be for a maximum of 5 days
- There is no guarantee of service as lighting can be affected by nature and many other elements that are out of the control of the City of Grand Rapids
- If we experience an issue with the lighting, you will receive one regular business day/hours service call back per active lighting request
- Lighting is based on availability
- Payment must be made in full prior to the lighting

Blue Bridge Active Lighting Submission Signature Sheet

By signing this form, you are stating that the application is complete, and all attachments included.

Your application will be reviewed by the Office of Special Events. All incomplete applications will not be accepted but will be returned and your lighting date released which may result in loss of request. Please note: Submittal of your application does not guarantee approval of your lighting request. You will receive an invoice via email and the invoice must be paid to the City of Grand Rapids Treasurer prior to your Blue Bridge Lighting.
